

Sustainability - EcoVadis Plattform

EcoVadis is an internationally recognized platform for assessing companies' sustainability performance. It evaluates companies in the areas of the environment, labor and human rights, ethics, and sustainable procurement. The assessment is based on a standardized questionnaire and documented evidence, and it enables customers and business partners to evaluate a company's sustainability performance in a transparent and comparable manner.

The EcoVadis Commitment Award recognizes our commitment to sustainability and responsible corporate governance. It demonstrates that we systematically assess our sustainability performance and continuously work to improve it.
